

Guarantee on Uniforms

Suits USA, Inc. guarantees the quality of all our manufactured uniforms against manufacturing defects to the original owner of the uniform for one year. If you find that the uniform has manufacturing defects we will decide whether to replace or repair a uniform.

This guarantee does not cover damage due to an accident, improper garment care, or for normal wear and tear that naturally occurs over time. Please read the care instructions provided with your uniform. Colors fade over time and cloth will begin to wear over time.

What we guarantee for 1 year following purchase:

Zippers – if a zipper breaks under normal wear we will replace it.

Velcro – If any of your Velcro fails we will replace it. Please close all Velcro before laundering and turn your garment inside out so that Velcro is on the inside of the suit.

Seams – If any of your seams fail or thread comes loose we will repair the seam.

We DO NOT guarantee striping. Striping wears over time and requires proper garment care to remain in good shape on a suit. Please wash your garments with the striping turned to the inside of the suit.

Holes and Rips

Over time you may have accidental rips and holes made by things you carry in your pockets or by improper fit or any number of reasons in the everyday use of your

uniform. We do not guarantee the cloth in any way against wear and tear and accidents. We will be glad to replace pockets or patch holes and tears for a fee.

If you need to return a uniform please call our office at (800) 832-6517 to get prior approval.
